- Founding member of the National Pollinator Garden Network's Million Pollinator Garden Challenge with First Lady Michelle Obama
- Creation of the TheBeeMD web diagnostic tool
- Unbiased and scientific influence in the creation of the Presidential Memorandum on Pollinators and the *National Strategy to Promote Health of Honey Bees and Other Pollinators*

18th Annual NAPPCC International Conference

Hosted at USDA – Oct. 16 - 18, 2018

CONFERENCE

The 18th Annual NAPPCC International Conference is an invitation-only strategic event that brings together the world's preeminent scientists and pollinator experts to discuss current issues affecting pollinators and ways to further pollinator conservation.

ABOUT

The North American Pollinator Protection Campaign (NAPPCC) is a private-public collaborative body that works to promote and protect pollinators. NAPPCC is coordinated by the Pollinator Partnership, a 501(c)3 non-profit organization.

NAPPCC is a growing, collaborative body of more than 150 diverse partners. Respected scientists, researchers, conservationists, government officials and dedicated volunteers are succeeding with major programs to protect pollinators, to raise pollinator-related issues, and to benefit the health of all species – particularly those most threatened.

More information about NAPPCC and the 18th Annual NAPPCC international Conference can be found at www.NAPPCC.org.
