Tips For Entering Your Address

- Begin typing your address in the Address field. This should start giving address options in a dropdown.
- Select your address once it is an available choice. This will automatically populate the Latitude, Longitude, Province, and Country fields.
- These fields will only populate once an address is selected from the dropdown. Typing out the full address will not fill in these fields.
- If there is no address dropdown or locator map, please try using a different browser and selecting the option to allow access to your location when prompted by the form.

The BFF Team will only use your address for locating your site on the map, your information will not be shared.
