

A Program of
POLLINATOR PARTNERSHIP
 Protect their lives. Preserve ours.

2026 BEE FRIENDLY FARMING REPORT

Bee Friendly Farming (BFF), a program of Pollinator Partnership, works with farmers to protect, preserve, and promote pollinator health. The following metrics reflect producers enrolled in the BFF Program and BFF 3rd Party Verified Certification.

TOTAL BFF ENROLLMENT

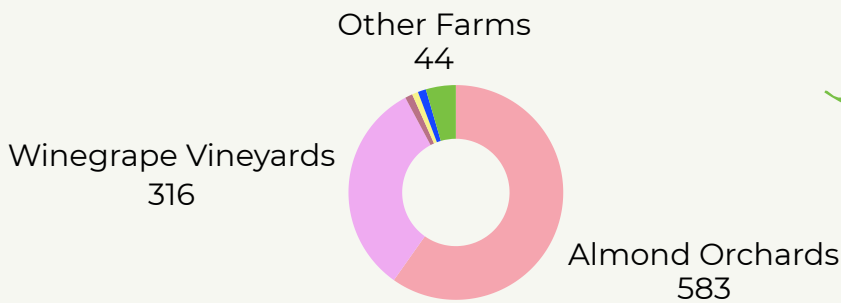

978 Farms
386,350 Farm Acres

76,800 Habitat Acres
38,425 Permanent Habitat Acres

BFF BY COMMODITY

BFF ACROSS NORTH AMERICA

BFF continues to expand across the U.S. and Canada, implementing positive, incremental improvements on farms. YOU can be an essential part of keeping our pollinators healthy and food supply abundant. Join the movement by applying today!
