Virtual/Desk Audits (if eligible): \$750/location

Group Enrollment -

Producer groups that consist of multiple farms are eligible for Bee Friendly Farming (BFF) certification under a single certificate. Producer groups include an organization that is responsible for support and oversight of the group, as well as ongoing internal audits. All farms that participate in the producer group each year must undergo internal onsite audits by the producer group organization to ensure adherence to the BFF Certification criteria. The third-party certification audit will involve a review of all audits carried out by the producer group organization at the time of the internal control system audit. In addition, the third-party certification process will include an audit of the square root sample of farms that are part of the producer group. All fee line items noted above in the Producer Enrollment section apply to producer groups, with the addition of the following:

Producer Group Internal Control System Review (virtual/desk): \$2500 (annually)

Product Enrollment (Wholesale or CPG) -

Product(s) Review (annual fees):

“Product(s)” are defined as each individual item submitted for BFF Third-Party Certification, including single ingredient, multi-ingredient and/or bulk items, with or without finished product labels. Product review fees apply per unique formulation review, including reformulations of previously reviewed items.

- 1-5 Products (includes label review): \$1250
- Each Additional Product (includes label review): \$100/product*
**custom price estimates are available for portfolios of 100 enrolled products or more.*

Pollinator Partnership BFF Third-Party Certification Licensing Fees (annual fees):

These fees are collected by WFCF and paid directly to The Pollinator Partnership per the Participant’s licensing agreement for all Certified Products.

- \$250/product
