RE: In Support of Pollinator Week Governor's Proclamation

Dear Governor LAST NAME:

I am writing to proclaim my support for Pollinator Partnership's proclamation request for "STATE Pollinator Week," June 22-28, 2026.

Pollinating animals are vital to our food supply, economy, and a key to global sustainability. Protecting bees, butterflies, bats, hummingbirds, and other pollinators is a priority I stand behind.

Pollinators do not observe state borders, and so a sustainable future for food security and ecosystem health requires national cooperation and understanding. Pollinator Week 2025 was a huge success, highlighted by proclamations from 48 state governors. After fifteen nineteen years of celebrating Pollinator Week and watching it grow into an international celebration, I understand the efficacy and potential of collaboration steered by wise gubernatorial leadership. Thank you for your help.

Pollinator Partnership stands ready to help you develop your pollinator programs to inform and engage your constituents. As a constituent of **STATE**, I support the vital work Pollinator Partnership does to protect and promote pollinators in North America. **Thank you for your consideration and leadership.**

With gratitude,

YOUR NAME
