NAPPC Roadside Managers Award

Pollinator Roadways is a new initiative of the North American Pollinator Protection Campaign (NAPPC) to recognize transportation agencies who are leading the field in pollinator-friendly roadside practices. In 2019 NAPPC will be awarding its 4th annual Pollinator Roadside Management Award.

The Awards

There will be an award for state projects and another for county/local/regional projects.

Award Criteria – Government Transportation Agency

- Demonstrates an exemplary long-term commitment to provide pollinator habitat along roadsides.
- Plants or seeds pollinator supporting vegetation.
- Promotes vegetation management practices (mowing, pesticide use, etc.) within the agency that incorporate the needs of pollinators.
- Can describe the positive impacts of the agency's pollinator initiative for animals and people.
- Engages the public through education and outreach as well as signage.
- Documented roadside miles impacted by the agency's pollinator initiative, and plans for the future.

Key Dates

- Nomination Period: October 2018 – June 1, 2019
- Deadline for Applications: June 1, 2019
- Award Announced: Summer/Fall 2019

Nominations

To nominate a transportation agency please complete an online application at www.pollinator.org/roadsides#roadsides-manager-award or email the completed form below to info@pollinator.org by June 1, 2019.

Pollinator Partnership (P2)

Established in 1997, the Pollinator Partnership is the largest 501(c) 3 non-profit organization dedicated exclusively to the health, protection, and conservation of all pollinating animals. All P2 projects are science-based and collaborative and support conservation, education, research, policy and monitoring. Further information is at www.pollinator.org.

2019 NAPPC Pollinator Roadside Management Award

(Use as much space as needed to completely answer each question)

Contact Information (Nomination submitter)

Name: _____ Organization: _____

Email: _____ Phone: _____

Government Agency Information (Nominee)

Agency Name (Note if State or County/Local/Regional): _____

Employee Contact Name: _____ Title: _____

Email: _____ Phone: _____

Please address each of the questions below in as much detail as possible.

1. How has the agency demonstrated an exemplary *long-term* commitment to provide pollinator habitat along roadsides?
2. How has pollinator supporting vegetation been incorporated into the agency's activities. What species are being used?
3. How is the agency promoting vegetation management practices (mowing, pesticide use, etc.) that incorporate the needs of pollinators?
4. Explain the *measured* positive impacts of the agency's pollinator initiative for animals and people.
5. Describe how the agency engages the public through education and outreach as well as signage.
6. Provide the amount of documented roadside miles impacted by the agency's pollinator initiative.

Provide three specific examples of how the agency has managed roadsides for pollinators.

How has the nominated agency demonstrated a commitment to pollinators in the future?

Insert a labeled picture(s) of the section(s) of roadside the agency has managed for pollinators at the end of this form.
