Whereas, pollinator species such as birds and insects are essential partners of farmers and ranchers in producing much of our food supply; and

Whereas, pollination plays a vital role in the health of our national forests and grasslands, which provide forage, fish and wildlife, timber, water, mineral resources, and recreational opportunities, as well as enhanced economic development opportunities for communities; and

Whereas, pollinator species provide significant environmental benefits that are necessary for maintaining healthy, biodiverse ecosystems; and

Whereas, the State of Oklahoma has managed wildlife habitats and public lands such as Utah forests and grasslands for decades; and

Whereas, the State of Oklahoma provides producers with conservation assistance to promote wise conservation stewardship, including the protection and maintenance of pollinators and their habitats on working lands and wildlands;

Now Therefore, I, Governor J. Kevin Stitt, do hereby proclaim June 21-25, 2021, as

“Oklahoma Pollinator Week”

in the State of Oklahoma.

In Witness Whereof, I have hereunto set my hand and caused the Great Seal of the State of Oklahoma to be affixed.

Done at the Capitol, in the City of Oklahoma City, this 18th day of June, in the Year of Our Lord two thousand and twenty-one and of the State of Oklahoma in the one-hundred and thirteenth year.
