June 17-23, 2019!*

**POLLINATOR
PARTNERSHIP**

Welcome to the official **2019 Pollinator Week Toolkit!** Utilize these resources to help you celebrate and promote your involvement in this year's Pollinator Week (**June 17-23, 2019**). Additional information can be found at <http://www.pollinator.org/pollinatorweek/> or by contacting Pollinator Partnership at info@pollinator.org.

ACTIVITY IDEAS

There are countless ways to celebrate:

- Encourage your Governor to sign a proclamation
- Display pollinator artwork and outreach materials in your office lobby
- Begin your own or join a social media campaign
- Highlight Pollinator Week in a newsletter, blog, or magazine
- Sponsor Pollinator Week (see additional resources)
- Host a pollinator-themed meal or mixer
- Pollinator planting day at your school, office, local park, or library
- Build native bee houses (see additional resources)
- Join the Million Pollinator Garden Challenge (see additional resources)
- Request a local establishment or building light up for Pollinator Week (For example: Light up City Hall in Yellow and Black)
- Plant habitat in your backyard using native plants
- Host a nature walk or pollinator expert lecture
- Screen a pollinator film (see additional resources)
- Host a pollinator festival or native plant sale
- Host an educational event at a local library

Be sure to post all local public events at <http://pollinator.org/pollinator-week/>!

SOCIAL MEDIA

Use **#pollinatorweek** for all mentions of pollinator week, events and resources shared. Mention **Pollinator Partnership** on Facebook, twitter, and Instagram and we may re-share!

Sample posts:

- It's #pollinatorweek! #DYK that pollinators like bees, butterflies, and bats, provide 1 out of 3 bites of food we eat? Say thanks by planting native plants, supporting local farmers, and educating others about the importance of pollinators!
- This #pollinatorweek, join the Million Pollinator Garden Challenge and #beecounted in the effort to provide habitat for pollinators! Get on the #PoliNation map at www.pollinator.org/mpgcmmap/
- About 75% of all flowering plant species need animal pollinators for reproduction. As a result, pollinators contribute to ecosystem health and a sustainable food supply. Celebrate them this #pollinatorweek!
